

Diagonal Lidded Gift Box

July 2024 in person class instructions

The project:

Supplies:

- Night of Navy card measuring 5-3/4" x 5-3/4"
 - score on all 4 sides at 1-3/4"
- Basic White card measuring 5-3/4" x 4-9/16"
 - score on the long side at 1-3/4" & 4"
 - score the short side at 1/2 from one end and 1-3/4" from the other end
- Night of Navy card measuring 2-1/8" x 2-1/8"
- Basic White measuring 2" x 2"
- A scrap of Basic White for the sentiment (optional)
- Ribbon
- embellishments

Assemble the box

Photo 1

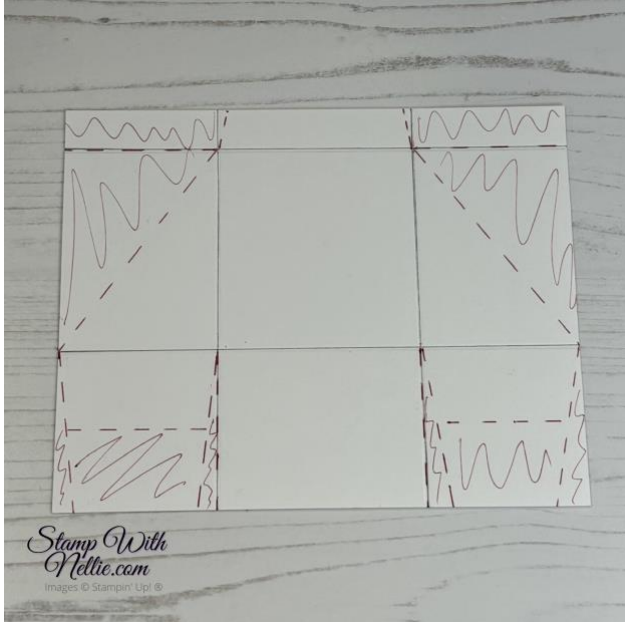

Make the base

- Fold and burnish all of the score lines on the Night of Navy card for the base.
- Stamp the side panels if desired
- Cut the outer corners as shown in Photo 1
- Add glue to the corner tabs and adhere to the back of the side panels

Make the lid

- Fold and burnish the score lines on the white card
- Cut as per the dashed lines in Photo 2 to remove all the shaded areas
- Stamp your chosen image onto the 2" square white card and colour (see photo 4 for some alternative ideas)

Photo 2

- Glue your image square to the 2-1/8" Night of Navy square and add to the centre of the lid

Add the lid to your box base

- Add glue to the top narrow tab
- Line the tab up inside the box base, as shown in Photo 3
- Fold the lid over the box and glue the front square panel to the 2 side tabs
- Put your ribbon around the sides of the box and tie in a knot (or bow) at the front
- Embellish as required.
