Make your card...

- Add the 10 x 14cm DSP to the inside of the card base
- Add the 3.5 x 10 cm DSP to the centre of the top section of the card front
- Add the 3.5 x 10 cm DSP to the centre of the white card measuring 4 x 10.5 cm
- Decorate one of the pieces of white card measuring 7 x 10 cm with die cuts, ink blending and stamping. Including a sentiment if desired.
- Line up the small card front panel with the edge of the base (use clips to hold in place)
- Add glue to the top and bottom of your decorated panel and add to the card base
- Add glue to the remaining piece of white card (7 x 10 cm) and glue that to the inside of the card front to strengthen it
- decorate with embellishments
