Make your card...

- Fold and burnish the score lines on the card base.
- Add DSP to the 2 long thin pieces of card
- Glue the tabs on the long pieces to the left side of the card base (photo 2)
- Add the left and middle pieces of DSP to the card base (photo 3)
- Glue the tabs on the long pieces to the right side of the card base (photo 4)
- Add in the final piece of DSP to the card base. Your card should now look like photo 5
- Glue the neutral card for your written message to the middle panel on the back of the card base
- Stamp your sentiment on the banner die cut and trim to fit. Add gold trim to the hole
- Glue the tree die cut to the tag and put the sentiment banner over it with dimensionals.
- Add glue to the area around the hole and just the middle of the bottom of the tag die cut, as shown in photo 6
- Add a ribbon bow and embellishments
