Cutting guide for inside tray

Make your box..

- Fold and burnish the score lines on the Boho Blue card stock
- Cut the Boho Blue card as shown in the cutting guide photo
- Glue the side tabs to the end panels
- Punch a hole in one of the end panels and thread your ribbon through, leaving a loop to pull the tray. Secure the ends with sticky tape
- Stamp and die cut your pop up element
- Glue it to the window sheet then glue the bottom of the window sheet to the end of the tray, over your ribbon
- Glue the 2 inside end panels in place to cover the window sheet etc
- Stamp snowflakes over the Basic White cover then fold and burnish the score lines
- Assemble your cover around the tray, to make sure it fits
- Decorate the top of the box with your chosen images and sentiment
