

Delightful Wishes easel card

January 2025 class instructions

The project:

Supplies:

- Basic White thick card for the base = 5-3/4" x 8-1/4"
 - scored on the long side at b/"
 - cut at 1-3/4" from each side on the short side down to the score line only
- Floral Delight DSP measuring
 - 2 pieces = 1-1/2" x 3-7/8"
 - 2 pieces = 2" x 3-7/8"
- Daffodil Delight card for the back = 3-7/8" x 5-1/2"
- Basic White card for the back = 3-5/8" x 5-1/4"
- Basic White card for the sentiment pieces
- Various die cuts for the flower and leaves
- embellishments

Make your easel card

- Fold and burnish the score line on the card base
- Glue the 2 side panels of the card front to the card base
- Add 3 DSP pieces to the bottom sections of the card
- Add another piece of DSP to the centre flap
- Score the centre flap at 2" from the end
- Add your Wishing sentiment to the folding section
- Add your stamped sentiment label with a piece of adhesive foam strip in the middle of the card
- Assemble your die cut flowers and leaves and add them in front of the sentiment label
- Add embellishments
