

Botanical Textures book fold card

March 2025 class instructions

The project:

Supplies:

- Basic White thick card for the base = 4-1/8" x 11-3/4" (half an A4 sheet)
 - scored on the long side at 4-7/8" & 5-7/8"
- Botanical Textures DSP measuring
 - 7/8" x 4"
 - 4-3/4" x 4"
- Basic Black card to emboss with the mini corrugated 3D folder = 2-3/4" x 2-3/8"
- Basic White card to stamp and punch the sentiment
- Bright coloured card to cut with the To The Point punch
- White ribbon
- embellishments

Make your book fold card

- Fold and burnish the score lines on the card base
- Glue the narrow piece of DSP to the left of the card front and the larger piece to the right-hand side
- Add your ribbon to the narrow panel, securing the ends on the back
- Glue the narrow panel to the back of the card base
- Stamp and punch your sentiment
- Punch your coloured card then cut it in half and attached to the pointed ends of your sentiment piece as shown in the photo on the left
- Emboss your piece of black card in your preferred direction to back your extended sentiment piece
- Add your chosen embellishments
- Stamp some decoration to your envelope and inside the card too.
